2.6 – Additionally, all quoted prices are based on the quantity of work indicated in any quotation, tender, offer, order or contract documents. Forte Industries (AUS) reserves the right to increase the price should the amount of work change due to factors outside Forte Industries (AUS)'s control including but not limited to if quantities originally quoted are varied, if all specifications do not meet those represented by the Purchaser, if any relevant representation made by the Purchaser is incorrect, incomplete or otherwise deficient, or if Forte Industries (AUS) is unable to proceed without interruption and on a normal five day working week. The Purchaser shall accept any such price escalation.

2.7 – If a delivery date is specified in any quotations, tenders, offers, orders or contracts, this date is an estimate only and Forte Industries (AUS) is not liable for any delay in delivery.
